Dear Mr. Torres:

We are writing to request three amendments to our radioactive materials use license, license number 27-05861-02. The first change is to let you know of a recent reorganizational name change. The name of our organization has been changed from the Radiation and Indoor Environments National Laboratory to the **National Center for Radiation Field Operations**.

The second change is to update our mailing address. We have recently gotten rid of our P.O. Box (P.O. Box 98517) and now use our physical address as our mailing address. Our physical address is:

**4220 S. Maryland Pkwy Bldg C
Las Vegas, NV 89119**

The third change is to notify you that our RSO, Lyndsey Kelly, has taken a job with a different organization. We would like for her to be removed as our RSO and add **Wes Boyd** as our new RSO. Mr. Boyd has been certified by the American Board of Health Physics (ABHP) in the comprehensive practice of health physics (CHP). In addition, he has previously been listed as the RSO on our license. If you need further documentation of Mr. Boyd's qualifications please let me know and we will provide it.

If you need any additional information, or would like anything clarified please feel free to contact me at (702) 784-8220

Sincerely,

Ronald G. Fraass
Director, National Center for
Radiation Field Operations
