INTERNATIONAL CYCLOTRON, INC., HATO REY, PUERTO RICO SITE

Dear Dr. Kolodziej Castro:

On February 4, 2013, Thomas Thompson of this office conducted a safety inspection at the above address of activities authorized by the above listed NRC license. The inspection was limited to a review of the licensee's facility and operational status. The findings of the inspection were discussed with you and David Rhoe of your organization at the conclusion of the inspection.

Within the scope of this inspection, no violations were identified, however, from our discussions we understand no additional progress has been made on the sale of your facilities and that you are continuing to pursue obtaining Financial Assurance (F.A.). Please keep us informed of your progress on the sale of your facilities and on obtaining the required F.A.

In accordance with 10 CFR 30.34(b), you must have the consent of the NRC in order to transfer control of your license to another entity, and that you and the purchaser will need to provide the NRC with information that demonstrates that the purchaser is qualified to perform the licensed activities. You should refer to the information in Chapter 5, "Change of Control" in NUREG-1556, "Consolidated Guidance About Materials Licensees," Volume 15, "Program-Specific Guidance About Changes of Control and About Bankruptcy Involving Byproduct, source or Special Nuclear Material Licenses" (NUREG-1556, Volume 15). This information may be viewed electronically at <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v15/>.

In addition, if you are successful in obtaining F.A. you should refer to the guidance for financial assurance instruments in NUREG-1757, "Consolidated NMSS Decommissioning Guidance," Volume 3, "Financial Assurance, Recordkeeping and Timeliness." This information is also available on the NRC website.

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Med, Ind, & Academic Uses**; then **Regulations, Guidance and Communications**. The current Enforcement Policy is included on the NRC's website at www.nrc.gov; select **About NRC, Organizations & Functions; Office of Enforcement; Enforcement documents**; then **Enforcement Policy (Under 'Related Information')**.
