Mr. Thomas Gizicki  
Senior Health Physicist/ RSO  
Department of the Army  
TACOM Life Cycle Management Command  
6501 East 11 Mile Road  
Warren, Michigan 48397

SUBJECT: REQUEST TO AMEND SEALED SOURCE AND DEVICE REGISTRATION  
NR-0155-D-126-S

Based on the information submitted in your registration amendment request dated January 9, 2013, requesting an addition of a new manufacturer and change in your address to the registration certificate NR-0155-D-126-S, we have completed your request. A revised copy of the registration is enclosed.

Please be advised that you must ensure manufacture and distribution of the product in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate. Please read over the registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing if you decide to no longer manufacture, distribute, or offer service support for the product.

If you have any questions, please contact me at [Ujagar.Bhachu@nrc.gov](mailto:Ujagar.Bhachu@nrc.gov) or 301-415-7894.

Sincerely,
