Dave,

I just wanted to followup on your offer to get together and discuss the Oconee flooding issue. I had indicated that I was available this week but it is getting away from us. So I looked at the calendar for me, you, Lois, Jeff Mitman, Meena and George, and we are all available on Monday, Dec. 14 from 1-2 pm.

If it's ok with you, I'll go ahead and ask my administrative assistant, Mary, to find us a meeting room at that time.

Thanks.

Melanie
