Subject: General Licensing Question

Mr. Bennett,

Per our discussion please complete your Annual Registration Form 644 and indicate that the detector is no longer in your possession.

Since the device has been transferred in, accordance with the NRC Regulations in 10 CFR 31.5(c)(8)(ii) you will need to furnish a report to:

Director, Office of Federal and State Materials and Environmental Management Programs
Attn: Document Control Desk/GLTS
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001

The report must include:

- A. The identification of the device by manufacturer's (or initial transferor's) name, model number, and serial number
- B. The name, address, and license number of the person receiving the device, and
- C. The date of transfer.

Please let me know if you have any questions.

Thank you,
Tomas Herrera
