**UPDATE OF INFORMATION PERTAINING TO FOREIGN INTERESTS**

In a letter dated July 15, 2008, the NRC granted a non-possessing facility security clearance at the SECRET – National Security Information level for Dominion Energy Kewaunee, Inc. (DEK), Dominion Nuclear Connecticut, Inc. (DNC) and Virginia Electric and Power Company (Dominion). The NRC's July 15, 2008 letter also included the requirement to submit an annual certification of the extent and nature (if any) of significant changes relating to the Certificate Pertaining to Foreign Interests and reporting requirements to be made by written notification within 30 days.

DEK, DNC, and Dominion submitted updated Owners, Officers, Directors, and Executive Personnel (OODEP) lists as well as Annual Certifications for Foreign Ownership, Control or Influence (FOCI) for DEK, DNC, and Dominion and their parent companies to the NRC on July 16, 2012 (Serial No. 12-003B).<sup>1</sup> On January 31, 2013 and February 1, 2013, personnel changes were made that would affect the information previously provided on the OODEP lists for DEK, DNC, and Dominion. Therefore, in accordance with the NRC's July 15, 2008 letter, we are providing the changes in

<sup>1</sup> DEK, DNC and Dominion, provided additional information to the NRC on changes to OODEP lists on September 6, 2012 and January 7, 2013 (Serial Nos. 12-003C and 13-001, respectively).

owners, officers, directors and executive personnel in Attachment 1 to this letter. Documentation to support these changes is provided in Attachment 2 to this letter.

In their previous submittals, DEK, DNC and Dominion submitted the certificates and OODEP lists as proprietary in their entirety. The NRC determined that this information should be withheld from public disclosure as noted by the NRC letter (J. K. Everly, Jr.) to Dominion and DNC dated February 20, 2003. Subsequent filings by DEK, DNC and Dominion have also been withheld and exempt from public disclosure under 10 CFR 2.790 and its successor regulation, 10 CFR 2.390. Similarly, Attachment 1 to this letter contains business sensitive and personal privacy information and Attachment 2 contains business sensitive information. DEK, DNC and Dominion request that these attachments be withheld from public disclosure in their entirety. In support of this request, an affidavit and declaration requesting that the NRC treat Attachments 1 and 2 in their entirety as exempt from public disclosure under 10 CFR 2.390 is provided as Attachment 3 to this letter. Because DEK, DNC and Dominion seek to withhold these attachments in their entirety, a nonproprietary version of the attachments has not been prepared.
