Dear Mr. Salas:

This is to acknowledge receipt of your letter to the U.S. Nuclear Regulatory Commission dated February 20, 2013, providing additional clarification regarding a question that was posed to AREVA during the February 7, 2013, Commission meeting on steam generator tube degradation. Your letter has been provided to the Commission, posted on our public website, and made part of the record for the Commission meeting. I have also referred your letter to the Executive Director for Operations for consideration.

Sincerely,

/RA/
