Re: Closeout for Affiliated Medical of Dearborn

The closeout done for Affiliated Medical of Dearborn was done at 1711 Monroe. My Physicist sent me a closeout letter to copy on my letter head and send. It was an old closeout from when she moved them from 2200 Monroe to the 1711 Monroe location. I failed to change the address to the current location of 1711 Monroe when I retyped the closeout letter on my letterhead.
