Pending Need for Renewal of NRC License No. SNM-2012

(NOTE: This will be used as the  
Documents Title in ADAMS)

3/11/2013 (13:45) I requested to speak to John H. McKay and was informed by Mrs. McKay that he was deceased. I informed Mrs. McKay that I was from the NRC and I was calling because the federal license for the nuclear pacemaker was expiring. Since Mr. McKay was deceased, I asked Mrs. McKay if the nuclear pacemaker had been explanted and returned to the manufacturer. Mrs. McKay confirmed that the pacemaker had been explanted by the funeral home, that she supplied the funeral home with a shipping box from the manufacturer, and that the funeral home completed the shipment. I requested that Mrs. McKay send a letter to the Region I office requesting that the license be terminated and that the letter restate the information she provided me over the telephone. Mrs. McKay agreed to send the letter with the requested information.
