I am writing to notify you of an upcoming meeting and teleconference between the Nuclear Regulatory Commission (NRC) and Hydro Resources Inc. (HRI) to discuss HRI's updates to the Environmental Report and Consolidated Operations Plan as part of its license renewal process. NRC staff and HRI will meet from 2:00 p.m. to 4:00 p.m. (Eastern Daylight Savings Time) at the NRC offices in Rockville, Maryland. HRI is currently licensed by the NRC to conduct in-situ uranium recovery at four locations (Section 8, Section 17, Unit 1, and Crownpoint properties) in the Crownpoint area, subject to the conditions in the NRC license.

The meeting has been publicly noticed on NRC's website at <http://www.nrc.gov/public-involve/public-meetings/index.cfm>. I have attached a copy of the meeting announcement for your review. If you would like to either attend or listen to the meeting, please contact me for directions or the call in number. Government officials and the public will have the opportunity to ask questions to the NRC staff at the end of the meeting.
