Gamma Irradiator Service would like to inform you that we are making a change from a Sole Proprietorship to a Limited Liability Company. Gamma Irradiator Service LLC". The only change occurring throughout the company will be the name, and no other major or minor changes to the company will be implemented. There will be no transfer of assets or stocks, and no mergers will take place. Personnel will remain the same with Doyle T. Stout (RSO) and Christopher V. Nostrand retaining their position on the license as authorized users. Gamma Irradiator Service, LLC will not make any changes in its location, facilities, procedures, equipment, or ownership of the company. Shop surveys, including wipe tests, are taken every three months and will remain being taken every three months after the name change occurs as well. Decommissioning of sources, facilities, equipment, etc. will not be taking place due to the change in the name. Gamma Irradiator Service's license does not require financial assurance. Therefore, there will be no changes or documents relating to that section either. If you have any questions or need any other answers, please contact Doyle Terry Stout at (570)925-5681.
