Subject: Amendment Request for License Number 11-27610-01

Qal-Tek Associates has changed RSO assignment under our license due to the former RSO (Anthony R. Borland) leaving the company. Monte Pope has been appointed RSO as of 28 February 2013. Mr. Pope has been with the company eight years, first as a laboratory technician, having completed RSO training requirements to provide on-site assistance to our clients, and the last two years he has worked as the Assistant RSO for our company and is intimately familiar with all our operations, license requirements, procedures, etc. A copy of his resume is attached for your information.

We request a change in RSO designation on our license to Monte Pope. All other conditions of our license should remain unchanged.

Sincerely

Bryce L. Rich
