Scott Wilson, RI Health Physicist**Telephone No.** 304-665-2422 X473**Subject:** RAI New Application Dated 03/25/2013.

Mr. DuLaney was contacted to request additional information regarding the license application dated 03/25/2013. Specifically, Mr. DuLaney was asked to provide documentation describing his training specific to the use and maintenance of the gauges. Mr. DuLaney said he would complete the training suggested in Appendix G of NUREG 1556, Vol. 4, and provide a letter stating the training was complete. Mr. DuLaney was also asked about the non-routine maintenance procedures provided in the application. Mr. DuLaney stated that the licensee will not perform any non-routine maintenance. He further stated that any non-routine maintenance will be performed by the manufacturer or another entity duly authorized by license for those activities. I asked Mr. DuLaney to provide a letter attesting to the fact that the licensee will not perform non-routine maintenance.

Mr. DuLaney stated that it will take a few days to complete the training and forward the documents requested.
