Re: SUB-1010 Amendment No. 21

Dear Judge Gleason and Judge Kline:

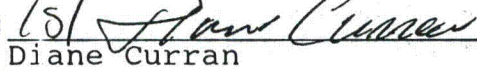

Please be advised that the Cherokee Nation and the Native Americans for Clean Environment are concerned about the license amendments approved by your office on February 21, 1996. Both the tribe and NACE feel that the NRC has not adequately addressed their concerns. These organizations stand on the testimony previously submitted of record and request an opportunity to be heard on the license amendments which have been authorized.

Sincerely,

CHEROKEE NATION
