Subject: IPEC License Renewal - Availability of Westinghouse for Proprietary Information Review - RVI Program

Nate,

I am following up for Adi Irani on an NRC request to support the subject review - Westinghouse and Entergy can support a meeting in Washington on either the 23rd, the 24th or the 25th of April with a preference for the 24th if possible.

Please let me know if the NRC can support one of these dates. Also please confirm whether this is a one day or a multiple day review.

Thanks,
Roger Waters
