Subject: Invitation To Section 106 Consultation Under The National Historic Preservation Act Regarding The UENCO USA Proposed Capacity Expansion Of Gas Centrifuge Uranium Enrichment Facility In Lea County, New Mexico

Good Afternoon Mr. Malliakos:

This e-mail is in response to the correspondence received in our office in which you provide the Ysleta del Sur Pueblo the opportunity to comment on Invitation To Section 106 Consultation Under The National Historic Preservation Act Regarding The UENCO USA Proposed Capacity Expansion Of Gas Centrifuge Uranium Enrichment Facility In Lea County, New Mexico.

While we do not have any comments on the Proposed Capacity Expansion and believe that this project will not adversely affect traditional, religious or culturally significant sites of our Pueblo and have no opposition to it; we would like to request consultation should any human remains or artifacts unearthed during this project be determined to fall under the Native American Graves Protection and Repatriation Act (NAGPRA) guidelines. Copies of our Pueblo's Cultural Affiliation Position Paper and Consultation Policy are available upon request.

Thank you for allowing us the opportunity to comment on the proposed project.

Sincerely,

Javier Loera

War Captain/Tribal Historic and Preservation Officer

Ysleta del Sur Pueblo
