

April 29, 2013

Mr. and Mrs. Brad and Rose Wind
27801 Marina Pointe Drive
Bonita Springs, FL 34134

Dear Mr. and Mrs. Wind:

This is to acknowledge receipt of your letter dated March 28, 2013 to NRC Chairman Allison Macfarlane concerning Duke Energy's proposal that would allow them to lower Lake Keowee to 790 feet in a stage 4 drought conditions.

A response is under preparation which will be forwarded to you shortly.

Sincerely,

/RA/

Annette L. Vietti-Cook
