Dr. and Mrs. Lester Borden
137 Sunrise Ridge
Sunset, SC 29685

Dear Dr. and Mrs. Borden:

This is to acknowledge receipt of your letter dated April 1, 2013 to NRC Chairman Allison Macfarlane concerning your opposition to Duke's proposal to lower the floor level of Lake Keowee another five feet, to 790 feet above mean sea level.

A response is under preparation which will be forwarded to you shortly.

Sincerely,

/RA/

Annette L. Vietti-Cook
