Subject:

Decommissioning Cost Estimate – Request for Extension

(NOTE: This will be used as the
Documents Title in ADAMS)

On April 30, 2013, I contacted Mr. Judge to discuss his request for an extension of the DCE. Mr. Judge informed me that he submitted an updated DCE on Friday, April 26, 2013. I thanked Mr. Judge and informed him that the DCE will be controlled in the NRC's license tracking system as a separate licensing action. I also informed him that he should review his CFA because, according to our records, it appears that the CFA cites the wrong LOC and incorrect amount. Mr. Judge stated that he will review his FA documents and thanked me for my assistance.
