Mike,
I understand that we received some feedback on this response during our ITAAC public meeting last Thursday and Friday. We did discuss some issues with Dave Terao during the ITAAC Public Meeting but not by RAI number. Has Dave Terao seen this advanced response ? We found out last week that this is a MEB type answer and the MEB was unaware of the question and response. Will we have additional feedback on this Advanced Response today ?

Thanks,
Dennis

Amy,
So you will be out of the office through next Tuesday – returning Wednesday, April 10th ?

By the way – one more item – Do you have any feedback on the RAI 291 Question 3.09.05-26. Latest estimate we had was that NRC expected to send comments by April 3rd. The final response date is currently TBD.

Thanks,

Dennis
