In the Matter of
VIRGINIA ELECTRIC and POWER COMPANY
d/b/a DOMINION VIRGINIA POWER and OLD
DOMINION ELECTRIC COOPERATIVE
(Combined License Application for North Anna Unit 3)

Dear Administrative Judges:

Pursuant to the Board's Order dated September 10, 2008, the Staff herein provides to the Board and the parties as an enclosure to this letter an index identifying additions to the Hearing File, as required to be disclosed by the Staff in accordance with 10 C.F.R. § 2.336(d). The index contains the ADAMS accession number, date, and title of each enumerated document so as to make each document readily retrievable from the agency's website, www.nrc.gov, using the ADAMS "Find" function. Additionally, the Staff will add the indexed documents to the folder in the agency's Electronic Hearing Docket ("EHD") associated with this proceeding, entitled "North Anna Hearing File." Also attached, as required by 10 C.F.R. § 2.336(c), is the Affidavit of Chandu Patel.

In accordance with the Licensing Board's September 10, 2008, Order relieving all parties from the obligation of producing privilege logs, as otherwise required by 10 C.F.R. §§ 2.336(a)(3) and 2.336(b)(5), the Staff is not now producing privilege logs. In accordance with the September 10, 2008, Order, the Staff is required to produce a log of documents withheld as containing

proprietary information. However, there are no such documents in this update. In last month's update filed April 1, 2013 (Update 54), the staff withheld one document, "2013/03/01 North Anna 3 COL Hearing - Draft North Anna Audit Report," as potentially proprietary while the Staff review for proprietary information was ongoing. The Staff review is now complete, and the Staff has determined that the document does not contain proprietary information. Accordingly, the Staff is including the document in this hearing file update. As directed by the Licensing Board, the Staff is preserving and maintaining all privileged documents during the pendency of this proceeding.

Respectfully submitted,

/signed (electronically) by/
