SUBJECT: RIB-X PHARMACEUTICALS INC., ACCEPTANCE OF NOTIFICATION OF NEW
CERTIFYING OFFICER, CONTROL NO. 580371

Dear Ms. Szela:

This is in reference to the letter dated April 1, 2013 notifying the NRC that you are the new Certifying Officer for the NRC License No. 06-30726-01. No change to the license is required, so an amended license is not being issued. We will update our records to list you as the current certifying official, and mail will be sent to this individual in the future. Please note that you should sign all future correspondence that requests a change in your license. A letter signed by a Certifying Officer indicates that management has reviewed the application and concurs in the statements and representations contained therein. No further correspondence on this matter is required.

The NRC's Safety Culture Policy Statement became effective in June 2011. While a policy statement and not a regulation, it sets forth the agency's *expectations* for individuals and organizations to establish and maintain a positive safety culture. You can access the policy statement and supporting material that may benefit your organization on NRC's safety culture Web site at <http://www.nrc.gov/about-nrc/regulatory/enforcement/safety-culture.html>. We strongly encourage you to review this material and adapt it to your particular needs in order to develop and maintain a positive safety culture as you engage in NRC-regulated activities.

Your cooperation is appreciated.

Sincerely,
