Hi Kathy,

Looks like they were inspected in 2010 and came out with no violations.

Hi John,

Sensor Services has requested to terminate their NRC license and indicated they will maintain their PA license (PA-1288; reference no. 289304).

Can you please let me know if they are still in good standing with you (PA)?

I plan to terminate their NRC license this week.

Thanks,

Kathy Modes
