Travis,

This is to let you know that I received your e-mail requesting the inactivation of Core Oncology's sealed source/device registration.

We have opened a case and we will proceed with the inactivation.

If you need further information, please contact me by e-mail or call at 301 415-7904.

**Subject:** Request to inactivate sealed source registration

John,

Thank you for your time last week to explain to me the process and clarify the steps to inactivate our sealed source registration. Please find the attached request letter per our conversation and let me know if you have any questions regarding. I apologize for the poor quality scan and can provide you with a hard copy of this if you like.

Best regards,
