SUBJECT: CLOSURE OF INVESTIGATION (OI 4-2012-0009)

Dear Mr. Sunseri:

This refers to an investigation conducted by the NRC's Office of Investigations regarding activities at Wolf Creek Generating Station. The Office of Investigations initiated the investigation to determine whether a former quality assurance/quality control non-destructive testing supervisor at Wolf Creek Nuclear Operating Company's Wolf Creek Generating Station, Burlington, Kansas, was subjected to discrimination when he raised a concern regarding a potential hostile work environment.

Based on the evidence developed during the investigation, the allegation that a former quality/quality control non-destructive testing supervisor employed by Wolf Creek Generating Station was subjected to discrimination when he raised a concern regarding a potential hostile work environment was not substantiated. The NRC plans no further action related to the discrimination aspect of this allegation and considers this investigation closed.

You should note that final NRC documents may be made available to the public under the Freedom of Information Act subject to redaction of information pursuant to the Freedom of Information Act. Requests under the Freedom of Information Act should be made in accordance with 10 CFR 9.23, Requests for Records. Information is accessible from the NRC's website at <http://www.nrc.gov/reading-rm/foia/foia-request.html#how>.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC's website at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in blue ink, reading "Heather J. Gepford", is written over the typed name.
