- **USEC Paducah GDP - Response to NRC Review**
- **NRC - Adjourn Business Portion**
- **NRC - Informal Question & Answer
Session with the Public**
- **NRC - Adjourn Meeting**

Mission

The NRC licenses and regulates the Nation's civilian use of radioactive materials to protect public health and safety, promote the common defense and security, and protect the environment.

Purpose of LPR

- Inform USEC – Paducah GDP and public of the results of the LPR; and,
- Provide basis for adjusting the focus of inspections if needed.

How Is It Done

- **Review inspection results, events, and related issues for performance trends during this assessment period**
- **Identify areas needing improvement**
- **Identify areas where increased inspections are needed**

Functional Areas

- **Safety Operations**
- **Safeguards**
- **Radiological Controls**
- **Facility Support**
- **Other Areas**

Previous Licensee Performance Review (LPR) Results

- During the previous performance review, the NRC concluded that USEC – Paducah GDP conducted its activities safely and securely, protecting public health and the environment.
