RE: Drawing Corrections and Formatting Revision for Request to Amend the Model No. Versa-Pac Package SAR under Docket No. 71-9342

Dear Ms. Akhavannik,

Certificate Number	Model Number
USA/9342/AF	VP-55 & VP-110

As requested and in support of our request for amendment we have made corrections to the previously submitted drawings to add the gross weights, the diameter and height to drawings VP-55-LD-1 Rev. 10 and VP-110-LD-1 Rev. 10 (Drawing Change Table – attached) as shown in the Section 1 description in the Safety Analysis Report. We have also made formatting adjustments as requested by the Document Processing Room.

If you or the staff have any questions, or need any additional information, please let me know.

Respectfully,

William M. (Mike) Arnold
Phone: 423-646-1864
