Hello Tony

Due to the absence of your key analyst, an extension to June 30, 2013 is acceptable.

Please advise if there are any questions or problems.

Nick,

I received the subject document on April 30, 2013. Thank you for your response. I am sending this email to request an extension for our response. As we discussed on the phone, our key analyst is away from the plant for the next two weeks. With your concurrence, I would like to set a new response date of June 3, 2013 for our response. Thank you for your consideration.
