Re: Additional Information for Radioactive Materials License 34-29200-01MD, Cardinal Health
Nuclear Pharmacy Services, Dublin, OH.

Radioactive Materials Licensing / Ms. Casey:

Cardinal Health 414, LLC (Nuclear Pharmacy Services, hereafter Cardinal Health) submits the following clarification, as requested in your telephone conversation with Dan Hill today. The proposed update to the AU-ANP training program will include the option for recognition of any online or accredited college or university curriculum for nuclear pharmacist didactic training to meet the requirements of 10 CFR 35.55. Per the above referenced license condition 14, during the self-approval process, Cardinal Health will evaluate all didactic and experiential training for completeness and accuracy to meet the requirements of 10 CFR.35.55, notwithstanding the requirements of 10 CFR 32.72(b)(2)(ii).

If you have any questions regarding this request, please contact Dan Hill at 614.757.5074.

Sincerely,

Willie Regits, Ph D.
Corporate Radiation Safety Officer
Director, Health Physics
