Docket: NRC-2011-0148

Strata Energy, Inc., Ross In-Situ Uranium Recovery Project, Crook County, Wyoming; Notice of Materials License Application, Opportunity to Request a Hearing and to Petition for Leave to Intervene, and Commission Order Imposing Procedures for Access to Sensitive Unclassified Non-Safeguards Information for Contention Preparation

Comment On: NRC-2011-0148-0007

Supplemental Environmental Impact Statement for the Ross In-Situ Uranium Recovery Project in Crook County, Wyoming

Document: NRC-2011-0148-DRAFT-0015

Comment on FR Doc # 2013-07332

Submitter Information

Name: Sherri Jackson

Address: 82414

General Comment

I am asking you to please not refer to the Generic EIS and to fully consider the track record of routine spills, pond leaks and failed aquifer restoration from past uranium projects. Not a single uranium project has restored a single aquifer to pre-mining water quality. I don't understand why our nation, via government departments like the NRC, continually squander our water resources using loop holes like the Generic EIS.
