Mike,

Cheryl wanted to make sure that you all will discuss emergency procedures (what to do in case of x, y, z) during the safety briefing.

Also, Cheryl suggested that I change the lunch period to 12-12:30 and note that there will be a mid-morning and mid-afternoon break. I plan to make this change, unless you have any concerns, and share the final agenda with you and the THPOs later today.

Thanks,

Johari A. Moore
