Subject: May 13-17, 2013 CPUC hearings in the San Onofre investigation (I1210013)

Dear Commissioner Florio, ALJ Darling and ALJ Dudney:

I support WEM's Motion for the Commission to provide a webcast of the May 13-17, 2013 hearings in the San Onofre investigation (I1210013), and to allow videotaping, pursuant to the Bagley-Keene Open Meetings Act. I urge you to reverse your denial of this motion.

This meeting is in San Francisco and I will be unable to attend in person and am not able to read volumes of transcripts. This information is very important to the public. Please allow openness and transparency in your meetings.

Thank you,

Susan Brown
