Dear Mr. Comley:

This correspondence is provided in response to your request of Special Agent Kent E. Walker concerning the status of an allegation you forwarded to the Inspector General concerning former President Ronald Reagan. You alleged that in October 1987 you provided President Reagan with information regarding the use of counterfeit and substandard parts throughout the nuclear industry and that the former President subsequently refused to acknowledge receipt of that information. Your concerns were provided to the Federal Bureau of Investigation, Silver Spring, MD, on December 13, 1990.

Sincerely,

A handwritten signature in cursive script, reading "Leo J. Norton", is written over the typed name.
