Ms. Hellinghausen,

This refers to your license amendment request, dated May 20, 2013. You requested changing your distribution location from 710 Presidential Drive, Richardson, TX 75081 to 525 International Parkway, Richardson, TX 75081. In order to continue our review, we need the following additional information:

10 CFR 30.33 requires you to apply for, and obtain, a specific license authorizing possession and use of radioactive material (H-3) from the state of Texas. Please submit a copy of your current Texas possession license that reflects the new address where your distribution facility is located.

We will continue our review upon receipt of this information. If we do not receive a reply from you within 30 calendar days from the date of this email, we will assume that you do not wish to pursue your application.

Sincerely,

*Shirley Xu*
