

June 27, 2013

MEMORANDUM TO: Cindy K. Bladey, Chief
Rules, Announcements and Directives Branch
Division of Administrative Services
Office of Administration

FROM: James Danna, Chief /RA/
Rulemaking Project Management Branch
Division of Intergovernmental Liaison
and Rulemaking,
Office of Federal and State Materials
and Environmental Management Programs

SUBJECT: FINAL RULE TO REVISE THE 10 CFR PART 72 LIST OF
APPROVED SPENT FUEL STORAGE CASKS; NAC
INTERNATIONAL INC. MAGNASTOR® CASK SYSTEM
(RIN 3150-AJ22)

On June 12, 2013, the Executive Director for Operations (EDO) approved and signed the final rule on the above subject.

During the week of June 17, 2013, I provided you with the *Federal Register* notice (FRN) for this final rule, Congressional Review Act (CRA) Forms, and the Congressional Letters. Because of the urgency in publishing the final rule at that time, I did not provide you with a formal package requesting publication and closeout of that rule. This memorandum serves as the formal request.

ADM/DAS/RDB has been given owner's rights in the Agencywide Documents Access and Management System (ADAMS) to the FRN and all other documents in the package. Attached are a copy of the signed FRN (ADAMS Accession No. ML13151A155), the Congressional Letter package (ADAMS Accession No. ML13151A149) and the CRA forms (ADAMS Accession No. ML13151A179). The following are supporting documents: Notice of Final Rule signed by EDO (ADAMS Accession No. ML13115A158), Weekly Report to the Commission (ADAMS Accession No. ML13115A159), Approved for Publication (ADAMS Accession No. ML13154A464), and Environmental Assessment (ADAMS Accession No. ML13115A152).

Enclosures:

1. Direct Final Rule
2. Congressional Review Act Forms
3. Congressional Letters
