

Ginna Operating Test Comments

System JPMs:

JPM A – No comment.

JPM B – JPM step 8 is not critical because there are no consequences to not doing the step.

JPM C – Shorten JPM by eliminating early steps by pre-job brief and different simulator set up.

JPM D – Reword cue in step 8 to direct applicant to continue with procedure.

JPM E – No comment.

JPM F – No Comment.

JPM G – No comment.

JPM H – No comment.

JPM I – No comment.

JPM J – No comment.

Admin JPMs:

Admin 1 – Replace JPM; proposed cold weather JPM lacked substantial actions.

Admin 2 – No comment.

Admin 3 – Modify JPM to be less obvious regarding TS application.

Admin 4 – Reword initial condition/cue to approve if acceptable otherwise identify discrepancies.

Admin 5 – Reword initial conditions and have applicant complete notification form.
