Ganesh,

I will be glad to participate in the discussion with BWRVIP on BWRVIP-139-A.

Depending on the exact time, I might be able to participate by telephone on February 2, 3, 6, 10, 21, and 22.

Can you send me an electronic copy of the latest version of BWRVIP-139-A?

Thanks.  
Tom

Tom--Here is our write-up on the acceptance review of the inspection requirements for the Vermont Yankee steam dryer.

Pani and I would like to talk to the BWRVIP about revising the inspection criteria in the MRP-139-A report. We would like to invoke GE SIL inspections for the steam dryers. Please let me know if you can participate in the discussions.
