Jay,  
I worked with PNNL and we drafted this article on the nozzle 63 work that we'd like to submit for publication to Journal of Nuclear Materials. If you have time, please review. I'm happy to add you as a co-author if you want.

<http://portal.nrc.gov/edo/res/de/cmb/PWSCC/Shared%20Documents/PWSCC%20NUREGs%20-%20Drafts%20for%20Comment/Nozzle%2063/Nozzle%2063%20journal%20article.docx>

Thanks.
