Sure. I'm also ok with you coordinating w/the group directly, as necessary, to make an EMCB technical determination on the acceptability of the licensee's proposed RAI response as lead reviewer. You can just let me know once you reach that internal alignment. We will wait to have the call w/the licensee until you are comfortable with a proposed recommendation from your branch.

Can we shoot for a call w/the licensee on Monday afternoon or Wednesday a.m? Is everyone available to support?

Thanks,
 Rich

Rich—Since Pani and Tom will not be here on 9/20, can we meet next week?

All – please see revised draft response from VY and provide your thoughts/comments and whether it adequately addresses the RAI question(s). I'd like to target Wedn a.m. to discuss internally and then have our call w/the licensee. Please update your calendar for wedn as I plan to use the outlook scheduler to check your availabilities.

Thanks,
Rich

All—I agree with Rich—We will wait for the final submittal and discuss the course of action.
