Subject: RE: GI-204 activity?

Scott,

We had a phone call with DHS last Friday. They have sent the screening analysis to their information classifiers. DHS said that they would give us a projected completion this week.

So, we are waiting, but are primed and ready to move the issue when we hear from DHS.

Subject: GI-204 activity?

Good Morning, all;

Just checking in to see where we stand. Thanks.

Scott
