Many thanks Jeff. I will read this before the meeting.

... of course we are all still waiting to find out if what is really in Doel is H2 flaking at all ....

Best

**Subject:** Metallurgy of Hydrogen Flaking Document - for Doel 3 Meeting

The attached summarizes what I have learned regarding the metallurgy of hydrogen flaking so far. It's obviously still a work in progress but I wanted to get something out in time for people to have time to skim it prior to next Wednesday's meeting.
