Subject: Update and Split Actions Request

(NOTE: This will be used as the
Documents Title in ADAMS)

Mr. Jensen and I discussed what was needed for Control 581317. Mr. Jensen said he would work on getting the needed financial assurance items. On Control 580279, he requested that we move forward with the amendment to modify the irradiator, removal of the Gainesville, Florida location, and the name change. Please split off the financial assurance action into a new action. Mr. Jensen said that he would submit a new amendment request along with the financial assurance to amend the locations.

Action Required: Make a new Financial Assurance action from Control 580279. Continue with the amendment for the items that can be done now.
