I live in Laguna Hills.
I do not want the plant
opened. It is on an earthquake
fault.

My children and grandchildren
live near.

Just think what an accident
there would do the all of the
nuclear power plants. It
would be the end of your
job. Besides nearly one half
million dead from radiation
poisoning.

Sincerely

Walter Linder

protest the licensing of the

and will work against any
nuclear activity in the area.
