IV, V and Special Projects

Subject: Receipt of Correspondence from NRC

Dear Mr. Hickman:

Thank you for your letter of March 27, 1989.

I wish to continue receiving licensee correspondence from the NRC during the next year. The distance to the Public Document Room and the time delay in receiving the documents from the San Onofre Nuclear Generating Station, Units 2 & 3 Licensee/Operator combine to make these sources of information inadequate for our needs.

Thank you for your past and future considerations in this matter.

Sincerely,

Sherwin L. Harris
Resource Projects Engineer
