Acknowledged by card... 9/5/80

Dear Person,

August 28, 80

I am writing to you AS A concerned citizen
in opposition to licensing San Carlos Unit II
for low-level fuel loading. I live within
25 miles of San Carlos and feel that
operation of Unit II would be a further threat
to my health. I would like to be informed
of your actions and future public hearings on
the matter.
