Gentlemen:

In order to provide a copy of my letter of November 5, 1980, regarding the San Onofre Nuclear Generating Units 2 & 3, that includes corrections as listed in my letters of December 4, 1980 and December 18, 1980, and one additional correction, I enclose the following retyped copy of my report.

The additional correction is on page 12, line 24: change 24 to 22.

I hope that this revised letter will provide greater clarity of expression.

Sincerely yours,

  
David B. Slemmons
