Docket Nos.: 50-361/362

Dear Mr. Tedesco:

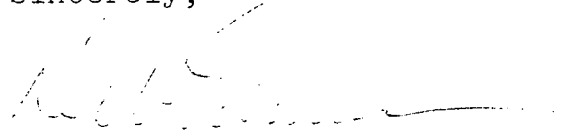

Subject: Schedule of Submittal of Information Needed for
San Onofre 2 and 3 Review

Your letter dated November 20, 1980 asked that we submit a description of the revised organization and how it meets the guidelines of NUREG-0731 as soon as possible.

Southern California Edison, as project manager of this plant for both Edison and SDG&E Company, will as usual submit the required information on behalf of both companies.

I would also request a correction of the SDG&E Co. addressee. It should be changed to Mr. D. W. Gilman, Vice President - Power Supply, San Diego Gas & Electric Company, 101 Ash Street, P.O. Box 1831, San Diego, California 92112.

Sincerely,

D. W. Gilman
Vice President - Power Supply
