SCE

It is respectfully requested that Amendment Application No. 11 be reviewed promptly and appropriate action taken. Direct distribution of Amendment Application No. 11 to Facility Operating License No. NPF-10 will be made in accordance with the service list provided by SCE's letter of August 2, 1982 to the Commission. An affidavit attesting to the fact that distribution has been completed will be submitted within ten days of amendment docketing.

The proposed changes contained in Amendment Application No. 11 are considered to constitute a Class II amendment based on the determination that these changes have no safety or environmental significance. Accordingly, enclosed is Southern California Edison Company's check in the amount of \$1,200.00 as required by 10 CFR 170.22.

Very truly yours,

Enclosure
