Subject: WG2 - English translation of Areva document
Attachments: CNT-KCD_4NT_17868_000_01_TOTALDOC - On the metallurgical origin of the indications - English version.pdf

Dear WG2 members,

Please find in attachment the English translation of the Areva document on the metallurgical origin of the indications (Doel 3 / Tihange 2).

This document is also available on the FANC portal (<https://portal.vpn1.fanc.fgov.be>)

Marc Deprez
Chairman WG2
