More documents for Doel 3/Tihange 2 have become available, notably the final safety case – Bob Hardies can probably discuss if he is there. EVIB staff are reviewing...

Internal meeting to occur December 17 on changes to staff approach for reviewing plant-specific applicability issues for MRP-227-A – follow up to 11/28/2012 public meeting. Staff (EVIB and DLR) to have teleconference following our internal meeting, date TBD.

EVIB,

Happy Monday.

Is there anything you think Mike Cheok and Pat Hiland should know in today's Management Meeting? Please let me know by 9:50am today.

Thanks,  
Stacey
